Miscellaneous

- Prelims included
- Post Installation Inspection

Drainage for underneath the J2409A Roundabout has been included, this is to reduce the amount of standing water but does not ensure that standing water will not occur.

Subject to full site survey from a Proludic Representative.

Based on a flat fully established grass site.

Proposed Grassmat Safer surfacing is based on a fully established grass site (including a minimum of 150mm of good quality soil and turf).

Proposed Grassmat will follow the natural contours of the land.

Wetpour guarantees are only valid when laid onto appropriate subbase with pre-cast concrete edging (PCC) to the manufacturer's specification. Wetpour guarantees will not be applicable when wetpour is laid onto any existing surface this includes (but not limited to) existing wetpour, paving slabs, tarmac & concrete.

Preliminaries have been included within your quotation, these equate to site setup, safety fencing, safety signage, welfare, offloading of equipment, storage & waste removal.

All pathways, furniture, planting, mounding and any other soft landscaping works not mentioned above are to be done by others.
